I authorize Thrivent Investment Management Inc. to act upon my instructions noted above. I have consulted with my personal tax adviser and legal counsel to the extent that I deemed necessary regarding the gift of shares identified above. I understand that neither Thrivent Investment Management Inc. nor my representative is a tax adviser, and I have not sought tax advice from either my representative or Thrivent Investment Management Inc. regarding this gift. I understand that cost basis will transfer to the receiver of this gift based on my account level cost basis method unless an alternative depletion method is indicated in the special instructions. Thrivent Investment Management Inc. will not make any adjustments for gift tax purposes. Contact your representative or go to thrivent.com to view your brokerage account and your default election.

*Validate share quantities are transferrable. Share quantities will be rounded up or down to the next divisible unit if applicable.
