

# Giving circle

## What is a giving circle?

It's a group of friends, family members or colleagues who pool charitable gifts and jointly make decisions on where to give to achieve greater impact.

Thrivent Charitable™ administers your collective gifts, holds and invests the assets. Then, as a group, you decide where to give and witness the change your charitable gifts make—together.

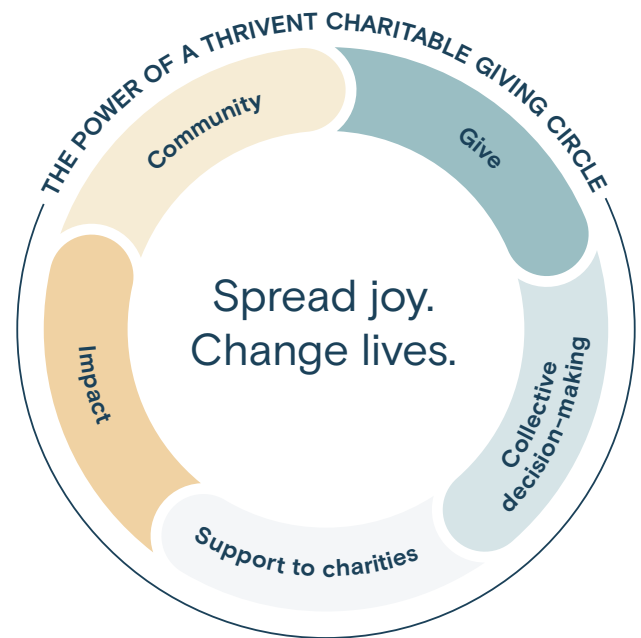

## Benefits of a giving circle

- Give together for greater impact.
- Build community and change lives.
- Receive possible charitable tax deductions.

## How do you start one?

- Create a core group of givers.
- Partner with Thrivent Charitable for giving resources and fiscal management of giving circle gifts.

When you establish a giving circle at Thrivent Charitable, you're part of a network of giving circles committed to making a difference in the world.
