Grant recommendation for endowments

Through your endowment fund, you can recommend grants of \$100 or more to your organization or any IRS-qualified charity, if a minimum balance of \$25,000 is retained in the fund. Grants can be designated for general operating support, a specific project, or other needs your organization wishes to address. In its role as steward, Thrivent Charitable performs due diligence on all grants before approval to ensure they meet Thrivent Charitable's and IRS standards. Please note grants cannot fulfill fundraising commitments or pledges.

We are here to serve you. Please contact us if you would like assistance in determining an organization's charitable status, help identifying specific organizations that may interest you, or if you wish to make grants anonymously.
